

BLISS THEATRE Magee Musical Comedy Company

A show that has nothing to do with worry or trouble. It does not attempt to preach a sermon, teach a moral lesson or give you a sex problem to ponder over;

BUT

It does give you an evening of relaxation and real enjoyment. The eye is pleased with pretty girls and pretty costumes. The ear is pleased with good music. Your sense of feeling is pleased with real comedy; the brand that makes you laugh and forget your troubles. The taste of the big majority is suited.

It is a show that gets the money, even if the price of admission is small. There are two shows each evening and you can come early and stay for both shows if you want to. You only need one ticket. The first show starts at 7:30 and the second show at 9 o'clock. There is a moving picture that runs from 7:15 to 7:30 and from 8:45 to 9:00.

The prices are 10, 20, 30 cents, with reserved seats in center section and boxes at 50 cents. You can order tickets in advance by ringing up 3937.

LEAH HOME BENEFIT AT OPERA HOUSE FOR LAST TIME TONIGHT

The Leah Home benefit, introducing "The Spirit of Hawaii," was repeated at the Opera House last night to a large and appreciative audience. Considerable of the rough edges had been worn away with the initial performance of the previous evening and the entire show ran with a smoothness seldom seen in amateur performances. "The Spirit of Hawaii" shows remarkable possibilities from the standpoint of the spectator but, in order to "get over" on the "big time" or even in the smaller vaudeville circuits of the mainland, a great deal more speed will be required. Also, it will be necessary to shorten the "dark" scenes of the act. The scenery is good and the work of the amateur thespians worth while. "The Spirit of Hawaii" will be repeated again this evening and, from the fact that the proceeds will go to the Leah Home a large audience is anticipated.

LOCAL SCENES AND PEOPLE AT POPULAR THEATRE

Honolulu scenes and Honolulu faces will greet the audiences at the Popular theater tomorrow afternoon and night and Monday and Tuesday nights when Samuel Blair presents "The Nation's Peril," a strong drama, taken on Oahu by the McRae Company several months ago.

John Wise, in the role of an officer of the peace, and Captain of Detectives Arthur McDuffie following his chosen calling are plainly shown in this film, while a thrilling scene shows an automobile precipitated over the Pali.

This film, the first of the McRae offering to reach Honolulu, will be shown in conjunction with the usual performance and as an added attraction.

SHORTAGE SEEN IN SUGAR BEET SEED FOR U. S.

[By Latest Mail]
WASHINGTON.—The United States faces a serious shortage in sugar beet seed, according to the department of agriculture. The country derives its entire sugar beet supply from Germany and this supply is now entirely cut off by the European war. The department has been informed that Western sugar beet planters are contemplating chartering a freighter under the American flag and sending a special expedition to Germany for sugar beet seed. No seed can be gathered in this country, as two years are required for the maturity of the seed.

The members of Honolulu Lodge No. 800, L. O. O. M., will meet at 7:30 o'clock this evening in the Odd Fellows' hall, Fort, near King street.
